This report presents the conceptual foundations of the OECD Programme for International Student Assessment (PISA), now in its seventh cycle of comprehensive and rigorous international surveys of student knowledge, skills and well-being. Like previous cycles, the 2018 assessment covered reading, mathematics and science, with the major focus this cycle on reading literacy, plus an evaluation of students' global competence – their ability to understand and appreciate the perspectives and world views of others. Financial literacy was also offered as an optional assessment.

Perfect Sample Papers is a series prepared as per the guidelines, syllabus and marking scheme issued by CBSE for Class X Summative Assessment II . The salient features of Perfect Sample Papers are:  The questions in the sample papers have been so designed that complete syllabus is covered.  Solutions to the first five sample papers are given. Students are advised to attempt these papers first, and take help from the solutions provided in the book to identify their weak areas and improve them.  Additional ten unsolved sample papers for practice will help students gain confidence.  The questions in the sample papers are of varying difficulty level and will help students evaluate their reasoning, analysis and understanding of the subject matter.
