integral elements of business. Starting with its most important chapters, those covering the basics of writing (3-13), Boone/Kurtz weaves real business examples and applications throughout (unlike many other texts which relegate business examples to end of chapter material). As its name, CONTEMPORARY BUSINESS COMMUNICATION, suggests this book is also concerned with the challenges of modern communication. It has the most integrated and complete coverage of today's important issues like communication technology, multi-culturalism, global communication, organizational culture,
