It's not easy being Hades. Constantly guarding his world against other meddling and ambitious deities is stressful work. So when a naked goddess falls directly into his lap, along with the news that he has to shelter her for the indefinite future, he is less than thrilled. The Underworld isn't the first place Persephone would pick for a vacation—who in their right mind would choose a dark palace over sunshine and flowers? Yet from Hades's first touch, the dark, sexy ruler fascinates her and has her thinking a fling might be just the thing to while away her confinement. But trust each other? Not a chance. Until the day comes that Persephone must leave...and they realize that trusting each other is the only way they'll ever meet again. Author's Note: This novella was initially published in 2010, and has been out of print for a few years. I made some changes prior to its 2021 rerelease, though the plot remains essentially the same.

A marriage, a fleeting season of romance, and the birth of four children will bring John and Mary to rest in the safe embrace of a traditional Catholic life in the suburbs. But neither Mary nor John, distracted by memories and longings, can feel the wind that is buffeting their children, leading them in directions beyond their parents' control. Michael and his sister Annie are caught up in the sexual revolution. Jacob, brooding and frail, is drafted to Vietnam. WHEN HE FINDS OUT ABOUT OUR BABY...OH, GOD. SUMMER I didn't have an outlaw's baby. Honest. I didn't run, didn't hide our son, didn't suffer alone. There's not a b\*stard with a gun to my head, sending me running to the bad boy I left behind. Making me lie to everyone. Yeah, I'm full of it. Here's the truth - I'm frozen because I'm finally face-to-face with the wild, gorgeous man with the icy stare who lit me on fire three summers ago. Joker rocked me to my core, left me with a kid, and it's just a matter of time until he discovers everything. Never have an outlaw's baby. They're cute, but they come with serious strings attached. Like Joker's kiss. I can already taste it, the growl rising in his throat. Coming for my lips, coming for the truth, coming for me. JOKER Pure hell tore my heart out one night three years ago. There ain't room in that hole for Summer, a lyin' spitfire I swore I'd never see again. I screamed, I shoved, I told her to get out, and stay out. Made myself numb so I'd forget about those lips I used to own, or having her between the sheets. Worked like a charm 'til...the kid. I know he's mine. Know something evil isn't adding up. Know he's the first light I've had in the darkness for years, and Summer's the second. If she hates me, I don't give a damn. This baby changes everything. She ain't running anymore. Neither am I. I'll put my name on her sweet skin. Hear her beg the way she used to. Remind her that a woman never has an outlaw's kid without sharing his bed, his bike, his brand. Always. The Outlaw Love books are stand alone romance novels featuring unique lovers and happy endings. No cliffhangers, no cheating, and a secret baby surprise! This is Joker and Summer's story in the Deadly Pistols MC series.
